Dear Director Costie:

I am writing to congratulate you on the selection of the Dayton Veterans Affairs campus to serve as the home of the Veterans Affairs (VA) National Archives.

As you know, I have worked diligently with our community to bring this important site to the Dayton VA, and I am proud of the work we have done to secure this honor. I appreciate your continued support and dedication to this effort. This distinction and honor would not be possible without your hard work. The Dayton region has a high-concentration of military and veteran's expertise and knowledge, and the Dayton VA is the ideal location to preserve, celebrate, and exhibit the history and contributions of our veterans.

I look forward to continuing our work together on this important effort, and thank you for your continued service to our nation's veterans.

Sincerely,

Michael R. Turner
